

REEL SCRIPT

A CRAZY SECRET ABOUT THE RICH AND THEIR MONEY

Script:

- Here's a crazy secret about the rich and their money
- And understanding it will help you build wealth
- You see... on average people in the top 1%
- Have a net worth of \$10.815M
- Even the top 10% have \$8.55M on average
- And the top 50%?
- They average at around \$522K
- But here's the crazy secret
- On average, two thirds of all net worth
- Comes from home equity
- So if you want to build wealth
- The best place to start is in real estate

Call To Action:

Share with someone who needs to buy.

Housekeeping Checklist:

- Do you have good lighting?
- How does your background look?
- Did you test the audio?
- Be sure to shoot each line from a different angle.

Notes to Editor:

Lorem Ipsum, das geheimnisvolle Geplätscher der typografischen Muse.
